11 AM to 2 PM

Join us at the Alpine Community Center, 1830 Alpine Blvd, on Monday, May 27<sup>th</sup> for a great day of respect for the fallen veterans, and enjoy music, stories from our veterans and an All American meal of hot dogs and hamburgers.

Let's turn Memorial Day into Thank You Day in Alpine!

Thank you to our veterans who made the ultimate sacrifice of honor and love for our country.

Thank you to our community that has supported the creation of the Veterans Wall of Honor.

"Appreciation is a powerful sentiment; it makes us stand up to honor those who have made a difference," said Dan Foster, the Chairman of the Wall of Honor Committee. "We know our fellow Americans who gave everything made a difference. But, on this day, we also acknowledge this wonderful community that made the Veterans Wall of Honor possible."

"In appreciation for the fabulous support we have enjoyed from the community in building the Wall," said Foster, "the food is on us on this special day!"

Hear testimonials from the veterans who put their lives on the line for you and our country!

Enjoy the patriotic music of Rod Galloway, a friend of veterans a supporter of the Wall of Honor.

Don't miss a Red, White, and Blue rendition of the Star Spangled Banner immediately followed by a Fly-Over Tribute by the Buecker Squadron in vintage WWII planes.

A Double Thank You Day in Alpine – great friends, songs, inspiring words, and free food. It can't get much better than that!

"We want everyone to come together to say thank you to our heroes and, at the same time, acknowledge how much we need one another, how proud we are to live in this community," Foster said.
