Content and Structure of the Audio CD

Overview of the Tracks

The First Friends 1 Student Audio CD typically includes approximately 15-20 tracks, each ranging from 1 to 3 minutes. The tracks are organized thematically, aligning with the units of the textbook. The content generally comprises:

Furthermore, the inclusion of songs and chants serves to enhance memorability and motivation, capitalizing on the musical-rhythmic aspect of language learning. The tracks are designed to be interactive, encouraging children to repeat phrases aloud, thus promoting oral practice.

- Limited Interactivity: As a passive listening resource, it does not actively require students to produce language, which can limit speaking practice unless paired with other activities.
